The Honorable Frederic Block
United States District Judge
Eastern District of New York

Brooklyn, NY 11201

Dear Judge Block,

My name is Paulin Lufaj. I am a project manager for NGV Industries, Inc., a painting company based out of New York. I have known John Simonlacaj for over 15 years. When I first came to the United States, John was one of the first people to welcome me with open arms. I met him through my cousins Nick and Zef Vataj. He was kind and treated me like family before he even knew me well.

Because I didn't speak English well, it was difficult for me to find a job when I first moved here. People kept turning me down because of the language barrier. Being the good person that he is, John helped me find a job that I would be good at. I was able to become independent because of him. Once I was set up with a job, he also helped me find an apartment to live in.

I credit John with the person I am today. If it wasn't for John, I probably would have given up and moved back to my home country. John means a lot to me and to my family. Please grant him leniency.

Sincerely,

Paulin Lufaj
